## THE CLUB

The A.C.T. Companion Dog Club was founded in 1958 in order to help owners teach their dogs to be well-behaved pets. Classes are held in Obedience, Agility and Flyball from beginners through to Trialling.

The Club is a non-profit organisation, run by volunteers and many people contribute their time and skills so that today we have a well-equipped club with excellent facilities.

The clubhouse provides both a social and training venue and the club shop offers a range of training aids, treats for dogs and their owners as well as a variety of refreshments.
